Fun and rewarding roles available within our residential services

Our residential services provide specialist support in a homely environment for people with Autism, Mental Health needs, Learning Disabilities and Acquired Brain Injuries. Each person is supported according to their needs which provides them with more choice and control over their own lives.

Our Support Worker roles are immensely rewarding and enjoyable. You will be supporting people with their daily lives so no two days will be the same. This may include personal care, budgeting, shopping, as well as assisting the person to maintain relationships with family and friends and be active in their community.

We are passionate about quality and we specialise in supporting people to achieve their full potential. Through empathy, belief and market leading training, our focus is to bring out the amazing in people.

Working within a team, you will work closely with each other, and with each person we support to achieve a range of outcomes, including:

- Developing daily living skills
- Assessing the community including sports and leisure activities
- Exploring learning opportunities
- Developing skills to maintain their wellbeing
