

## Support Workers (Nights)

**Salary: Up to £16708**

**Hours: Full-Time**

**Location: Redmarley**

An excellent opportunity has now arisen for several Support Workers to join our residential care services in Gloucestershire on a full time permanent basis.

We have opportunities in our picturesque Mental Health Nursing home at Redmarley. The successful candidates will support the people in our care in all aspects of their lives.

Our ethos is to be family orientated, professional, hard working, client led and fun. A happy atmosphere is promoted by the Management, as this adds to the homes environment.

### **The Role:**

- To carry out and undertake specific and general tasks which will provide good quality of health, welfare and well being of the residents.
- To contribute, develop and implement Service Users' individual care and person centre plans.
- To work flexibly to meet peoples' support needs
- To communicate effectively and professionally with all persons in the Service Users' life.
- To work as part of a centre team
- To work effectively and professionally within the policies, procedures, aims, objectives and philosophy of the company with your colleagues.

### **Responsibilities:**

- To complete induction and all mandatory training.
- We provide support and training for any person who has no experience working within this environment.
- To undertake and complete the Care Certificate and Health and Social Care Diploma Level 2 in care as a minimum standard requirement.
- Commit yourself to developing skills and knowledge as identified by you, your line manager, people you support and organisation.
- To be person centred in all aspects of your role.

### **Benefits:**

- Free DBS check;
- Free Studio 3 and Mandatory training;
- Excellent development opportunities;
- Free meals as you dine with the people in your care
- Set shift pattern, alternate weekend working

Previous experience as a Support Worker is desirable but not an essential since all training needs will be provided for you including gaining a diploma in Health and Social Care. If interested in joining our friendly team please send your CV to [kevin.neely@steppingstonesru.co.uk](mailto:kevin.neely@steppingstonesru.co.uk) or to [hazel@steppingstonesru.co.uk](mailto:hazel@steppingstonesru.co.uk). Please call 01531 650880 for further details.

Appointment to this position will be subject to a successful DBS check
